

## **REPORT**

‘I create India’ is setup by a US based couple Mr. Harsh and Mrs Aruna Bhargava in 1999. It is a non-profit making organization working in India to help create entrepreneurs at the grassroots level of society to convert job seekers to job creators. It has emerged as a national integrated Entrepreneurship Training Organization with empowerment of the disadvantaged and creating Job Creators as its mission. It has 20 centers in India and works with several grassroots organization to reach the needy. The organization conducts an interactive and participatory programme called “Change the Mind Set” at educational Institutions. The purpose is to plant the seeds of entrepreneurship in students and motivate them to be self reliant and make them job creator instead of job-seekers. This organization has so far helped to create 3000 entrepreneurs and 12000 jobs at India’s grassroots.
